EXPERIENCE

Front-End React Developer – Creative Line Company (May 2026 – Present)
Remote / Freelance | Saudi Arabia

- Building and maintaining responsive web interfaces using React.js and modern front-end technologies.
- Translating project requirements into clean, scalable, and user-friendly UI components.
- Collaborating with a remote development team to deliver frontend tasks within agreed timelines.
- Ensuring responsive design, consistent styling, and smooth user experience across devices.

VICA Web Solutions – Remote (Online) (June 2025 – Oct 2025)

Front-End Developer Trainee

- Delivered 8+ front-end projects simulating real-world business requirements.
- Gained hands-on experience with HTML, CSS, JavaScript, API, React.js, Bootstrap, and Tailwind CSS.
- Built responsive and user-friendly web applications aligned with modern UI/UX practices.
- Built React-based websites using component-driven architecture, REST APIs, and Supabase for backend services (authentication, database).

PROJECTS

- **E-Commerce Website:** Developed a complete online store with product listing, shopping cart, and checkout features using React.js, HTML, CSS, and JavaScript.

- **Dashboard System:** Created an interactive dashboard for data visualization and reporting, integrating responsive design using HTML, CSS, Bootstrap.

- **Landing Page Websites for Companies:** Developed multiple modern, responsive company landing page websites using HTML, CSS, JavaScript, and React.js, focusing on clean UI design and optimized performance

CERTIFICATIONS & TRAINING

- **Front-End Web Development Certificate – VICA Web Solutions.**
- **Leading Teams: Developing as a Leader – University of Illinois (Coursera)**

- **Web Development:** HTML, CSS, JavaScript (ES6+), React.js, TypeScript, Tailwind CSS, Bootstrap, REST APIs, Axios, Supabase.
- **Programming Languages:** Python, C++, C#, JavaScript.
- **Productivity Tools:** ICDL, Microsoft Office Suite (Word, Excel, PowerPoint, Outlook).

SOFT SKILLS

- **Teamwork & Communication**
- **Leadership & Supervision**
- **Problem Solving**

LANGUAGES

Arabic – Native

English – B2 (Upper Intermediate)

VOLUNTEERING

Content Lead – ProTeam Syria

(Feb 2026 – May 2026)

- Led and structured workshop content to ensure clear learning objectives, practical flow, and high-quality delivery.
- Coordinated with trainers to prepare session briefs, workshop outlines, and presentation content.
- Reviewed and improved training materials to make sessions more interactive, accessible, and beginner-friendly.
- Supported the planning and execution of technical workshops targeting students and youth interested in technology.
- Collected feedback and contributed to post-session evaluation to improve future workshops.

Nema Library – University Initiative

(Sep 2022 – Feb 2023)

- Contributed as part of a student team to create concise, professional summaries of practical course materials.
- Responsibilities included explaining complex concepts and presenting them in an accessible format, fostering a spirit of collaboration and helping fellow students.
- Developed creativity in teaching methods and strengthened communication skills.

ADDITIONAL EXPERIENCE

Instructor & Student Supervisor, Al-Nour Educational Institution (Secondary Level)

(Sep 2023 – May 2024)

- Taught practical subjects to high-school students, directly supervised their academic progress, and designed/graded tests and examinations.
- Strengthened leadership, classroom management, and curriculum-planning skill
